There exists a vicious hate propaganda and racism against the European Americans.

European Americans have about a 1.6 birthrate which means we are losing a quarter of our people every generation.

European Americans have no control over the media, the banking system, the Federal Reserve, our foreign policy or even our politics

Over the past three decades every Federal Reserve chairman and vice chairman has been a Jewish supremacist

Zionism absolutely is a Jewish supremacist phenomena. It is a racist phenomena

How the Jews have become the American elite

Goldman Sachs, the biggest predator, the most evil predator, international bank in the world

Jewish racism and tribalism is the real supremacy on the planet earth

The people being genocided are the European people. **Our birthrate now is 1.6 per couple**

Sexual degeneracy, the lesbian and gay agenda is 98% dominated and controlled by Jewish extremists.

Every major Jewish organization in America supports gun control

“Kill White people and get paid for it, what’s not to like”.

Jews dominated the world wide slave trade for two thousand years!

There is a Jewish campaign to make Whites a minority everywhere they live

David, were you a *“goblin Cyclops”* before you were a dragon?

Every major Jewish organisation supports this destruction of America

There are more Jews, at Harvard and the Ivy League, 2% per cent of the population, than there are our 70%

In my book **“The Secret Behind Communism”** I prove that the Russian revolution was overwhelmingly a Jewish movement.

Oh! You never answered the question about the whole Catholic conspiracy

It's not the Catholics who own and control the Hollywood destructive media. It's not Catholics who control the international banks

Christian Zionists, I feel for them, I feel pity for them. That they've been so brainwashed by the Jewish media

I'd love to hear Duke's opinion about Vladimir Putin
